

BABY PLAN SERIES SESSION

Changes take place so quickly during babies first year. Each phase of development is an opportunity to capture enduring memories and important milestones. Be sure to capture these unique and fleeting moments with a Baby Plan Photography Series.

The baby plan includes a photographic memoir of the first year of your babies' life in three separate photo sessions.

We start with a session when baby is newborn to 3 months old:

This is a great time to focus on all the little details – the hands, fingers, toes and the special bond between a newborn and parent. Mom and Dad should be dressed in long sleeved black shirts and dark pants or jeans. Your baby can be bare, in a diaper with a diaper cover, or in a cloth diaper.

Then at 6 months:

This is a time to highlight the dawn of your baby's independence. Your child should be sitting independently for this session. Appropriate clothing includes: diaper covers; bloomers; overalls; tulle skirts; or a simple solid-colored outfit.

Finally at 1 year or during babies first steps:

What a great time to capture the essence of your baby's personality! Choose either a formal or casual session. Clothing ideas include: overalls; bare feet; tulle dresses; solid shirts; and, slip dresses.

Each session is approximately 1 hr. depending on babies' needs and whether the session is done in the studio, or on location. As with all our portrait sessions time after the session is scheduled for a date four to five days after session to review and choose images to order prints at the studio, or you home. Images must be ordered within 30-days of each session to receive Baby Plan pricing. All three sessions must be of the same child. A sibling or parent may be added for an additional \$35 per person. Program expires when the child turns 15-months.

You will be briefed before each session on what to bring, a good time of day for babies pictures and different framing options to best display the session images. Please bring all members who were present during the shoot, and who will be ordering prints, to the viewing session at the studio in order to facilitate the ordering process.
