Photo sessions are scheduled one per day to allow adequate attention. If a re-shoot is requested a full session payment is due. All sessions require a \$100.00 retainer in cash, or check at least one week in advance. Balance of session fee is due on day of shoot. Any payments made by personal check must clear before shoot day. There is a \$25 fee for returned checks. Makeup artist is paid directly in cash on day of shoot.

The retainer for the session is required to reserve the time slot. We require a 48hr. advance notice of cancellation. If this proper notice is given, the appointment will be rescheduled, but not refunded. The retainer fee is good for one year.

Retouching includes: removal of blemishes, stray hairs, cleaning up of smudged makeup, whitening of eyes and teeth, removal of bra straps and any unwanted undergarment that is visible. Additional retouching beyond two images included with session is \$35 per image.

Please call at least 2 weeks in advance of your preferred date to schedule an appointment.
