

## Maternity Portrait Session Policy

We start with a phone consultation where we discuss clothing options, makeup and hair, and background choices. The session is 1-2 hours in the studio, or on location. Time is scheduled for a date four to five days after session for a viewing session at the studio, or your home, to review and choose images to order prints. Please bring all members who were present during the shoot, and who will be ordering prints, to the viewing session in order to facilitate the ordering process.

**Studio session fee** **\$275**

**Location session fee** **\$350**

Sessions include \$100 print credit towards a baby plan session

Book a baby session before the baby is 6 weeks old and get an additional \$100 print credit

~~~~~  
Session fee is for the time and talent of the photographer. Prints and specialty products are ordered separately. There is a \$150 minimum print order for each session.

Photo sessions are scheduled one per day to allow adequate attention. If a re-shoot is requested a full session payment is due. All sessions require a \$100.00 retainer in cash, check, or credit card at least one week in advance. Balance of session fee is due on day of shoot. Any payments made by personal check must clear before shoot day. There is a \$25 fee for returned checks. Makeup artist is paid directly in cash on day of shoot.

We require a 72 hr. advance notice of cancellation. If this proper notice is given, the appointment will be rescheduled, but not refunded. The retainer is good for one year.
